Pre-requisite Information Form

If your admission has been pending the successful completion of course pre-requisite(s) you have a couple options on how to comply with the requirement.

UNIVERSITY COURSES

You may take an undergraduate business course online or seat to complete your pre-requisite requirement. This option is the most expensive because you will have to pay tuition to take the course at AU or another institution. However this is the best way to learn the information you need because it is the most comprehensive.

**STATS** pre-requisite needs to be ONE 200 level statistics course. This could have different prefixes based on if it was a MAT (math) course or PSY (psychology) course or BUS (business) course.

**ECON** pre-requisite needs to be ONE 200 level economics course which has an ECON prefix

**ACC** pre-requisite needs to be ACC 201 (Financial Accounting) AND 202 (Managerial Accounting) accounting courses which have an ACC prefix

**FIN** pre-requisite needs to be ONE 300 level finance course which has an FIN prefix (sometimes these have pre-requisites themselves for admittance). We do not accept a finance course from a Technical College.

ANDERSON UNIVERSITY - MBA ACCOUNTING LEVELING COURSE

The best way to take the accounting pre-requisite is to take our MBA accounting leveling course which will be offered online. This course has been designed so that you can have the foundation necessary to take the accounting course and be prepared for the accounting skills needed in other of our MBA courses.

ONLINE MBA PRIMER 3.0 – instructor led (ONLY for STATS, ECON or FIN)

You may choose to purchase an online self-paced primer. This is an online course in which you do not get academic credit. However this is the lowest cost option to complete this requirement. Please go to [http://cengagesites.com/academic/?site=5215](http://cengagesites.com/academic/?site=5215) to view an overview of the product.

Where do I find CENGAGE 3.0?

- then type MBA PRIMER 3.0
- Please watch the PowerPoint orientation for Cengage online at: [http://andersonuniversity.libguides.com/MBA](http://andersonuniversity.libguides.com/MBA)

*For each course you purchase you need to put in a key code that puts you into the correct course. This is found on the PowerPoint orientation for Cengage on the link provided above.*

What is the cost?

- One module at a time = $80.50 (good for 6 months)

What are the limitations?

- When you purchase the product you will have 6 months to use the online class after which your log on will expire.
- Online – self teaching method does not provide any tutor or teacher to which you can ask questions about things you do not understand.

You will need to take the pre-requisites before we will enroll you in the MBA class that requires the particular pre-requisite. When you complete it please email me with proof of completion.
