ANDERSON COLLEGE
ANDERSON, S.C.

OFFICE OF THE PRESIDENT

May 19, 1958

My dear Alumni:

During my thirty-six years of living and working in Anderson College I knew and loved many of you personally. I watched you in the impressionable age when you were endeavoring to lay the cornerstone of your life's career, when you were trying to distinguish between essentials and non-essentials, when your minds and hearts were reaching out to grasp the ideas and the ideals which guide you now. I am sure that this indefinable Anderson College spirit has lingered in your hearts, and has constantly urged you to higher and nobler living.

Anderson College did much for you: now your Alma Mater is asking you to do something for her. Present trends in education make it imperative that a real expansion program be undertaken: better laboratory equipment, new buildings, extensive improvements are included in this program for expansion.

It is my deep desire that every girl and boy who ever attended Anderson College have a part in this concerted drive to raise $300,000. Your gift may be made outright, or your pledge may be paid over a period of three years. A pledge card is enclosed, together with a stamped envelope. I hope you will give in proportion to your material blessings, and with an element of real sacrifice in your hearts.

I am making an individual appeal to you: please do not lay this letter aside—give this matter your prayerful consideration. Make a gift now to your Alma Mater in memory of parent or child or relative or friend; in so doing, you will bless both your loved one and your Alma Mater.

"For giving is living," the angel said;
'Go feed to the hungry sweet charity's bread.'
'And must I keep giving again and again?'
My selfish and querulous answer ran.
'Oh, no!' said the angel, piercing me through;
'Just give till the Master stops giving to you!"

Affectionately yours,

Annie Dove Denmark, President Emeritus
Anderson College
